Applicants must be at least 18 years old to be eligible for accreditation.

## **ACCREDITATION GUIDELINES**

**A media outlet with purely automotive content may accredit up to three (3) representatives, while general-interest or other media outlets may accredit up to two (2).**

### **Special provisions for photographers and TV crews:**

- Accredited journalists and photographers must strictly follow all safety instructions, as well as the directions of marshals within the Special Stages.
- The use of ground-controlled flying devices (drones), of any type and weight, is strictly prohibited on the Thiva Special Stage.
- Each media representative applying for accreditation must provide supporting material (texts, photographs).
